

About HANGAON

HANGAON was newly created by LIZENS, one of the largest and renowned stainless steel sink manufacturer in South Korea since 1999 for its superb quality in the stainless steel kitchen sink-bowl production, innovative design and customer satisfaction.

By introducing the trendy jumbo bowl sink concept in Korea, Japan, Singapore, Indonesia etc., and growing popularity worldwide, HANGAON was created with the same trendy and brilliant designs to achieve a safe, human oriented and ideal kitchen environment. The idea to enhance the living standard of users by introducing aesthetic, innovative and user-friendly range of kitchen sinks was the born.

Why HANGAON

MADE IN KOREA
Fully imported from South Korea

ENGINEERED FINISH
HANGAON sinks comes with Korean satin finish (unique high-frequency matt finish) which enhance corrosion resistance

GENUINE STAINLESS STEEL
HANGAON sinks are manufactured from international AISI 304 grade of stainless steel

HUMAN ORIENTED DESIGN
HANGAON sinks are designed to enhance the living standard with practicality and versatility. It's ideal for wet kitchen and Asian-style cooking habits

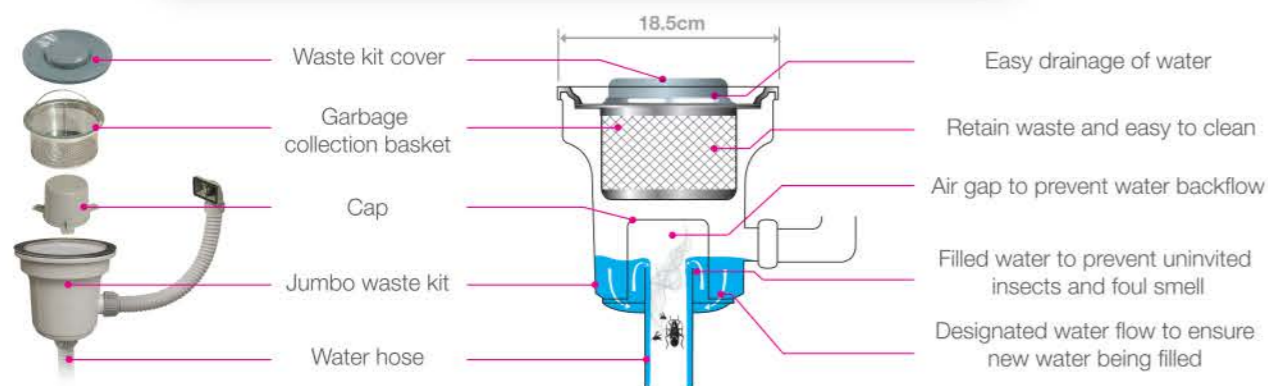

INDUSTRY LEADING TECHNOLOGY
HANGAON sinks are made from single moulded production with finest materials, world class production equipments, technologies and intelligent automated testing centre

UNIQUE 18.5CM JUMBO WASTE KIT
The Jumbo integrated waste kit comes with built in garbage collection basket which designed for easy drainage of water, prevention of water backflow, foul smell and uninvited insects.
